PROJECTS

Course Management <i>Java Swing, MySQL, Apache Netbeans, Git, VS Code</i>	2024
<ul style="list-style-type: none">The software is built to be able to manage courses in the application conveniently and simply using MySQLLearn how to use java swing in combination with database and source code managed with github	
Student Attendance <i>Python, Git, Open-CV, Pycharm , VS Code</i>	2024
<ul style="list-style-type: none">Take student attendance by facial recognitionUse data by taking 120 photos of students, then train the data to encode informationLearn how to build software using python and the numpy, pillow, open-cv libraries	

EXPERIENCE

HOBBIES

Watching	Present
I like action movies, it brings me a feeling of relaxation.
